This form will enable you to make IRA contributions electronically by transferring money from your bank account to your Premiere Select[®] Traditional IRA or Roth IRA (herein referred to as your "Premiere Select IRA"). Contributions made via EFT are **Current Year Contributions**. All contributions will be made to your Premiere Select IRA core account investment vehicle ("core account"). 3 Contribution Information

I hereby direct that \$ be transferred from my bank account designated above for each contribution period, as specified below and contributed to my Premiere Select IRA as indicated above, to my core money market mutual fund, as a **current year contribution(s)**. (Aggregate current year contributions to all IRAs, including Traditional IRAs and Roth IRAs, cannot exceed the annual contribution limit* or 100% of compensation, whichever is less.) Contributions will not be permitted more often than once per month, but must be made at least twice a year. You must wait 7 days for the first EFT contribution to be activated. The day specified below will default to the next business day if it falls on a holiday or weekend.

Frequency of contribution

Monthly on the day of every month beginning - (month-year).
OR
 Quarterly on the day of every third month beginning - (month-year).
OR
 Semi-annually on the day of every sixth month beginning - (month-year).

I understand this amount will be contributed to my Premiere Select IRA core account as a current year contribution and will remain in the core account unless a Periodic Investment Plan is specified in Section 4 or some other trade is placed.

* Please refer to the Premiere Select IRA Contribution Guide and consult with your investment representative to find the applicable maximum annual contribution limit and compute your periodic contribution amount. You are responsible for tracking your contributions for all IRAs to which you are contributing, and if you exceed the maximum IRA contribution limit, you may incur a penalty. If an IRA contribution is made by any means in addition to an EFT contribution, it will count towards your annual contribution limit and the systematic transfer of funds from the bank account listed in Section 2 may be suspended for the remaining calendar year. If your periodic EFT contributions are suspended prior to year end, the EFT will automatically resume in January of the following calendar year.
